#### **Elden Ring Features Key:**

All new graphics: From the simple textures of the Lands Between to the vivid details of the towering Elden Tower. Feel free to enjoy the vivid colours of the new animation and the landscapes of the new in-game map!  
Single-Player Mode has been given an overhaul: Starting from the basic in-game menu, the interface has been designed to be easy to navigate. Find all of your missions and explore the new open worlds to battle!  
The classic classes return along with a new play-style! The class is your primary interface, while your actions can be freely modified to meet your preference.  
A new quest story and an old legend: Start as an agent of the legendary Resistance and play as a hero who will restore the broken Goddesses and Elden Ring.  
Various equipment and upgrades and elements: Engage in combat with your Sword, defence with the Armours, heal your health with the Statues or use magic with the Dragons. Enjoy the unique atmosphere created by this diversity of equipment.  
Various difficulty levels: The game features 5 different difficulty levels that offer fun for everyone; if you lose control, enjoy the grand battle again.  
And many more....

Apart from Fire Emblem games in the past, this is one of the few games that still allows simultaneous turns in a long-distance battle. This allows for tactical combat in which the turns of characters are not tied to a grid system. There are also other several new features, such as summons and the double-turn system. Gameplay In Fire Emblem: Three Houses, you not only get to play as the one leading your unit, but you also have your own individual character that you can freely control. Your character will become stronger by level-up and will also inherit the "golden glance," which increases the chances of a chance attack in a cooperative situation. Choose Your Play Style In Fire Emblem: Three Houses, you can choose from a group of characters and battle styles in which you can customize your play style by choosing which of the characters you lead and how you fight. Double-Turn System Most Fire Emblem games have a turn limit in which you cannot take more than two turns in a row. However, it becomes possible to take many more turns when there are more than two players, such as in certain cooperative battles. However, when the total number of turns exceed 300, you will
