Songs on this site are sorted by quality, popularity, and date added. Recently, I attempted to add a couple new phones to my phone game plan. The first one I added, the Huawei P10, is already my current primary phone, but I wanted to be able to use it as a secondary phone when traveling. I was excited to try the iPhone XR, to see what it's like with the bold new design and to have Apple's Face ID technology. I'm going to review each of these phones as I use each, so I hope that what I have to say will give you a few ideas about what you should be looking for in a new phone. Read on to learn more about the iPhone XR, the Huawei P10, and my experience with each. iPhone XR and the iPhone X The iPhone XR and the 0cc13bf012

Average Rating 4.3 of 5 based on 5 votes.
