At least 20 people on a chartered train returning from church in central Moscow were struck by shrapnel, officials said Sunday, in the latest attack on passengers in the Russian capital. At least two men on the double-decker train outside Russia's second city Oryol had their legs blown off and were taken to a local hospital, Interfax news agency reported. Elsewhere, at least one passenger on another train was killed after being hit by a stray bullet, according to a railway official. A number of the injuries were very severe, leading officials to suspect a terrorist attack, Russian agencies reported. Interior Minister Vladimir Akimov told local television he believed the church attack was "organised by extremists." The attack on Sunday at about 7:45 am (0545 GMT) came the day after a suicide bombing claimed by Islamic State jihadists killed at least 16 people, most of them children, at a school in the rebel stronghold of Lugansk in eastern Ukraine. Despite the concerns, security was reportedly tightened at Moscow's Pulkovo airport and railroad stations. One policeman was also killed in the Kiev blast, while a female suicide bomber

You need to make different type of Sim and in that case you need breast mods. Sims 4 Breast Mod Sliders are an Addon that lets you change your sim's breast size. you can change your sim's breast size and width in the sim menu, in the sim details screen, or by using this addon's configurator (with an extra step in 3.3). Please Note: If you are using the Alpha 1.0 update for RC1 or Pre-Alpha 0.9.8 of RC1, then the Breast Sliders will NOT function since the CAS Female Breast Sliders were removed for pre-alpha and Alpha 1.0. You need the new version of Breast Sliders of RC2. Just swap in the new CAS sliders into the old sliders in your mods folder on your computer. If you use make sure you copy the new CAS sliders over the old sliders and replace them. They are named slightly different than they used to be. I hope you enjoy this as it works and looks much better than the old slider. I tested it and it works great. File credits: -The original sims 4 sliders were from Sims 4 Wiki -The hd sliders were made in blender with water or gusty sky and the texture was modded in blender with cheap texture mod and the rest sims 4 sliders I took from this beautiful texture pack -The CAS sliders from the 4.3 so far came from the "Sims 4 Hair Sliders Modified" mod, so they are much smaller than the hd sliders Parts you will need: - The Sims 4 Sims 4 Female Sliders RC2 from Sims 4 Mod There are 2 new sliders (CAS sliders) that you will need to download. I forgot to mention in the description that you will need to put the CAS sliders into the original sims4 sliders in the mods folder you download them to. It is the only way I was able to get it working. I
