ThinPrint Cloud Printer Jansen 4.10 Oct 16, 2016 Good Good This software has been a real time saver. Before I started using this software, I had to run to our printers everytime I needed to print something. This software let me print from my iPad, iPhone or laptop. Good TCsinc 4.06 Sep 17, 2016 Good Good Pros: Easy to use, fairly easy to figure out the basics, easy to read the manual. Cons: Installing the software isn't as simple as you might think. I would strongly recommend having an Apple Mac or PC to use this software. Good Noah853 5.00 Jul 24, 2016 Good It's a great printer to use on your phone, laptop, or desktop! Good kldkflkmf 4.06 Jul 24, 2016 Good Good Pros: Helpful and easy to use. Cons: Requires Bluetooth to install and work. Good 4.43 Jul 24, 2016 Good Good Pros: Simple to use and easy to understand. Cons: I was unable to adjust the print quality. Good 2edc1e01e8
